JUBILEE WEBSITE

In view of the 50th Year of the Canonization of our founder St Vincent Pallotti the General Administration of the Society envisioned a website to update details of all the jubilee events around the Pallottine world. Initially the St Vincent Pallotti College of Engineering and Technology, belonging to the Epiphany Province, offered to develop it. However, due to technical difficulties, Fr Norbert Sequeira, a member of the Generalate Community in Rome took up the challenge to develop a website in Rome itself for the entire Union of Catholic Apostolate, under the name www.unionofcatholicapostolate.com. Thus the long-awaited website of the Union, in some way, became a reality.

In the initial stages the website took some time to get shaped due to the unavailability of materials and technical problems. Once the site was fully functional the website link was sent to all the Provincials/Regionals/NCCs requesting them to forward the link to all their members, and members of the UAC in their respective entities.

The website has the following main features:

- 1. The home page with the picture of *St Vincent Pallotti with a crucifix infront of the earth* symbolizes the Pallottine form of evengelization in the world. It is dedicated for the current happenings in the Pallottine world with a special emphasis on Jubilee events.
- 2. The website dedicates separate pages to view activities of the UAC, SAC, SAC Sisters, CSAC Sisters additionally it provides space for the founder, photos, videos and links to various websites of the Provinces/Regions/Sister Congregations.
- 3. There is a special page dedicated to daily reflections taken from the book "Find the God who seeks you. Journeying with St Vincent Pallotti, the Prophet of Communion" by Fr Vensus George SAC
- 4. Direct live video streaming of our Church where one can view the body of our founder directly and also view all the liturgical events round the clock.

- 5. There are downloadable texts on different events, specially from the Seminar on "New Evangelization".
- 6. There is a special button at the bottom right side corner to select the desired language to get automatic translation which would translate the English text into your own desired language. (The translations may not be exact but it will be very close to the language of your preference).
- 7. The front page also displays various photographs of UAC activities and missionary endeavours.
- 8. There is a provision to directly contact the webmaster and communicate materials for updates or to give your comments.

Fr Norbert Sequeira is the webmaster of this website. All members of the UAC are requested to profit from this website as well as to contribute your share in making this website a great success.

Christmas greetings!

Prabodhana shared the joy and peace of Christmas by organizing a Carol singing competition on 15th December.

The 24 groups who participated in the competition were from schools, colleges, parishes and religious institutions.

St Matthias primary school won first prize in the school section. From the religious category Kripalaya Carmelite study house, won the first prize. Among the parishes, Our Lady Virgin of the Poor was adjudged as winner, and they also won the Christmas Carol Singing Rolling Trophy.

Students of Prabodhana made a guest appearance.

The judges of the competition consisted of Fr John Peter Lazzar sac, Dean of Studies Prabodhana, Sr Arul Mary and Ms Vyshalini, a gifted lady in Western music from Mysore.
